

To Check Continuing Education Credit

*****Licenses will be issued and available for print once all renewal requirements have been met (fees paid, 15 Hours of CE complete, and submitted by School). The license can then be printed by the company. Once License is in hand, the licensees may begin earning continuing education credit for the next period's requirement.***

As of December 1, 2004, all education credit is sent to the Alabama Real Estate Commission (AREC) directly by the Real Estate School, via the internet. **NO CERTIFICATE IS GIVEN** to student. *Only Students taking Code of Ethics Course will receive a Certificate.*

The student needs to check the AREC website to insure that the education credit has been properly submitted. Please allow (7) seven days for the credit to be submitted.

To check for education credits go to: www.arec.alabama.gov.

On the left of the page under the Picture, under the heading "QUICK LINKS" click on the 4th link down "Check CE Credit". See diagram below.
